

**SET UP**  
**INSTRUCTION**  
**SOFT IMAGE**

1

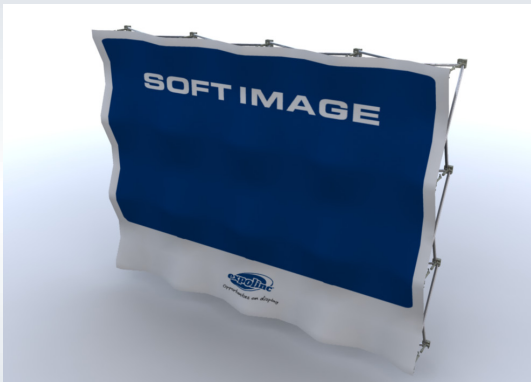

Take out the system from the bag and expand.

**2**

Lock all the lockers. Start at the outer edges and move towards the center.

3

If possible, lay the system on the floor with the image side face for easier locking of the lockers at the outer edges.

4

READY!

## ACCESSORIES

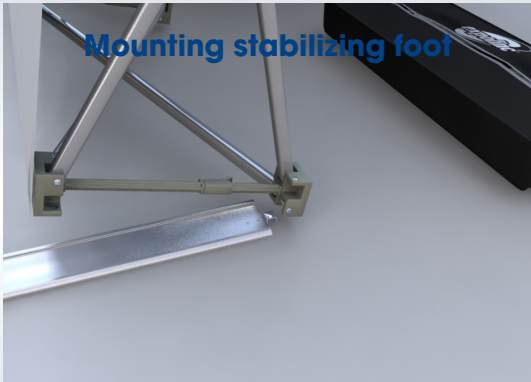

Soft Image can also be complemented with one or more grey LED lights, which cast light evenly over the entire image. Stabilising feet are always recommended, when spotlights are mounted on Soft Image

## Mounting stabilizing foot

By tilting the system slightly backward the hook on the stabilizing foot is hooked over the screw in the hub. Then adjust the feet so that the front hub slides into the groove of the stabilizing feet.

## Attach lighting

Attach the lights to the top scissor of the system. The tracks in the spotlight fastener will guide it to the proper position.

# PORTABLE DISPLAY SYSTEMS FOR ALL OCCASIONS

We make it easy for you to present your message in a neat and smart way wherever your target group is. Regardless of whether you are holding a product demonstration in a store, putting across your message at a sales meeting or exhibiting at a trade fair.

We focus on easy to use and portable display systems of the highest quality. We develop, design and manufacture all our products ourselves, and our products carry a lifetime warranty.

Thank you for your confidence in us. We wish all the very best in your business ventures.

## READY IN 30 SECONDS!

Remarkably quick and easy to assemble, Roll Up is the world's most widely used display system. The stable system, with its smart and discreet design, comes in various widths and heights.

**4 SCREEN**

## MAIN FOCUS ON THE MESSAGE

4 Screen is a cost-effective way of getting your message across on a large scale. Perfect for events and major campaigns where everything from price to assembly time is crucial.

**POLE SYSTEM**

## ELEVATE YOUR MESSAGE ABOVE THE REST

The Pole System is the perfect choice when you need your message up high. Ideal when you want attention in the center of a room or at a trade fair and when you need to see what's going on behind the banner.

## BROCHURE STAND

# THE PERFECT WAY TO EXPOSE AND TRANSPORT BROCHURES

The Brochure Stand provides the ideal complement to your event environment and a practical way to transport your printed material.

## BROCHURE STAND DOUBLE

### DOUBLE YOUR IMPACT

The Brochure Stand Double presents your brochures in two directions thanks to the zig zag construction.

## STAND UP

# FOR MEETINGS LARGE AND SMALL

The Stand Up Counter becomes a natural meeting point in an event environment or the perfect place to sign a contract for a sale. The Stand Up counter is available in two shapes – rectangular or stretched hexagon.

# FROM CASE TO COUNTER IN A MINUTE

The Case & Counter is a spacious transport case in a minute converted into a stylish and stable counter. The soft, rounded corners of the top shelf create an inviting meeting point with your message exposed on the cover of the case panel.
